GOVERNMENT OF KERALA

Abstract

Public Works Department -New green field road from Kannur to Mattannur as the main access to Kannur International Airport - Sanction accorded - Orders issued.

PUBLIC WORKS (H) DEPARTMENT

G.O. (Rt) No.809/2010/PWD

Dated, Thiruvananthapuram, 17/5/2010.

- Read: 1. G.O(Rt)No.238/09/PWD dated 12.2.2009.
- 2. Minutes of the Review meeting convened by Minister (Home, Vigilance & Tourism) on 1st March 2010.

ORDER

As per the Government Order read as 1st paper above NATPAC was entrusted with the feasibility study of developing approach roads to Kannur International Airport. Based on the report of NATPAC it was decided to upgrade / widen the Kannur - Mattannur road as the main access to Kannur International Airport. The detailed topographical study found that a large number of buildings and structures would have to be dismantled / demolished for widening the road.

2. In order to mitigate the hardships that would be faced by the people during land acquisition the Government explored the possibility of a new alignment for Kannur - Mattannur road. It is found that in the new alignment, the number of buildings and structures affected would be far less than if it is decided to upgrade Kannur - Mattannur Road.

3. Under the circumstances Government is pleased to entrust the Kerala Road Fund Board with the task of fixing alignment for a new green field highway in lieu of the existing Kannur - Mattannur road. The Right of Way (RoW) for the green field highway is fixed as 45 meters and this will be the main access to Kannur International Airport from Kannur city. The Kerala Road Fund Board will conduct preliminary surveys/ studies, propose the alignment and submit its report to the Government at the earliest.
